Treasurer's Report

- We have not yet received numbers from Marcos or Spiritwear
- We spent just over \$600 on lunch for staff for Teacher Appreciation week.

Principal & Teachers' Reports

- Next school year, the School Improvement Team (SIP) plans to focus our culture on what it means to be a "Challenger Champion". SIP welcomes new parent members and meets monthly before school.
- The summer reading event begins on 6/6.
- Dave asked current board members to plan to attend the circle ceremony on 6/14 at 1pm.

Ongoing Fundraising; Box Tops, Shoparoo, VGs

- Still looking for a box top coordinator for next school year. Jeanine has posted this on the Marquee board, website and Facebook.
- Char has been tallying the VGs receipts, but still has a lot of them to do. Christina stated that she turns in a ton of VGs receipts because she has friends who work there.

Old Business:

- 5th grade Celebration - No representative was present.
- Spirit Wear sales were low so JJ Jinkleheimers suggested that next time we choose digital instead of screen printing because it is cheaper and can be done without order minimums.

New Business:

- The PTO Board was nominated and confirmed as Volunteer Spotlight for June. PTO had not planned to publish a June newsletter, but the group agreed this would be a nice show of gratitude and an opportunity to get out some end of year news.
- Family Fun Night – "Games Around the World"

- Jeanine and Nicole attended the committee meeting last week and made decisions for how the event would run and provided a list of games and necessary supply list.
- Food will not be included in the ticket price. Tickets (aka “Passports”) will be \$2 presale and \$3 at the event. Passports will include a free small popcorn.
- Concession items will include: hot dogs, nachos, walking tacos, juice boxes, Gatorade, popcorn.
- We have received a \$500 donation check from Bob Maxey Ford to sponsor the event
- HHS Soccer Coach Kromberg has volunteered to run the soccer station and provide coaching and prizes.
- Jeanine asked PTO members to start procuring items and check them off the supply list as it is very long and needs many contributors.

Board Election for 2018-2019

- All Board members elected to step-down from their current board positions
- Jeanine agreed to assume a position as Co-President
- No other members were nominated. Dave suggested and the board agreed to meet again before the new school year to accept additional nominations for the vacant Board positions.

Meeting adjourned, 6:58pm
